Historical photo of HANS BIBUS from about 1950.

We are a leading company in our core activities and offer our customers high quality products and services. The keys to our success are the network of expertise and the skills of our employees.

Over 60 years of experience in the fields of hydraulics, pneumatics, motion technology, mechanical components and systems.

Core competencies in the development and manufacture of assemblies, hydraulic systems and units as well as in the development and packaging of special components.

BIBUS Baltics SIA Supporting your success

BIBUS Baltics SIA is engaged in sales, distribution and technical support of pneumatic, hydraulic, mechatronic and environmental technology equipment and accessories in the Baltic Countries: Latvia, Lithuania and Estonia.

BIBUS Baltics SIA enjoys the full support and backing of BIBUS HOLDING AG, family owned company, located in Switzerland, who in their capacity as a technical trading company has over 60 years of experience in the field of pneumatics and hydraulics. With the BIBUS group, currently consisting of over 30 subsidiaries throughout Europe and Asia, we have

the ability to provide a diversity of industries with a complete engineering solution for all their needs and applications. Our goal at BIBUS Baltics SIA is to supply our customers with superior quality products at affordable prices, delivered on time and backed up with consistent aftersales service and technical support they can rely on.
